Viksit 🇮🇳 Bharat
Buildathon 2025

आत्मनिर्भर भारत का आह्वान, विकसित भारत का निर्माण

**NATION-WIDE EVENT FOR INNOVATORS**

A Nationwide Innovation Movement

India is moving steadily towards the vision of Viksit Bharat @2047—a developed, self-reliant, and globally leading nation. To achieve this ambitious goal, it is essential to foster innovation, creativity, and problem-solving among our youth. Schools, being the foundation of learning, are the ideal space to inculcate these values early on.

The Viksit Bharat Buildathon 2025 is a nationwide innovation movement by Ministry of Education and Atal Innovation Mission, NITI Aayog, that will mobilise all school students across India. Through this initiative, students will ideate, design, and build prototypes (STEM and non-STEM) on four themes of national importance — Swadeshi, Aatmanirbhar Bharat, Vocal for Local, and Samriddh Bharat.

Choose Your Theme, Build Your Dream

SWADESHI

Fostering indigenous ideas,
knowledge systems,
and innovation

AATMANIRBHAR BHARAT

Building self-reliant systems,
tools, and solutions

VOCAL FOR LOCAL

Promoting local products,
crafts, and resources

SAMRIDDH BHARAT

Creating pathways to
prosperity and sustainable
development

13 Oct - 31 Oct
Submission of entries in the portal

Submission

1 Nov - 31 Dec
Evaluation of entries by a panel of experts

Evaluation

Jan 2026
Announcement and felicitation of top teams

Result

Participation

For Schools. For Students. For India

ELIGIBILITY

- Open to all school students across India.
- Both ATL (Atal Tinkering Lab) schools and non-ATL schools are equally encouraged to join.
- Students must form a team of 3-5 members from same schools. There is no restriction on the number of teams per school.

HOW TO PARTICIPATE

1. Register Your Team
   a. Schools/teachers register their teams on the official Buildathon portal
      www.vbb.mic.gov.in
   b. A unique registration ID will be generated for each team.

2. Pick a Theme
   a. Choose one of the Buildathon theme and identify a problem statement.

3. Brainstorm & Build
   a. Ideate to solve community problems.

4. Prepare Your Submission
   a. Create a 2–5 minute video explaining:
      i. the problem you are solving,
      ii. your innovative solution/prototype,
      iii. how it works,
      iv. its possible impact.

5. Submission: Submit your project video within submission window (13th to 31st october).

Awards

Awards Pool of ₹1 Crore

National Level 10 Winners

State Level 100 Winners

District Level 1000 Winners

Role of Schools

Schools are the driving force behind the success of this nationwide movement. We invite every school to actively engage students, celebrate their creativity, and showcase their innovation.

Pre-Event Activities (06th - 13th Oct)

- **Encourage Participation:** Motivate students to form teams and register for the Buildathon.
- **Host School-Level Activities:** Organize brainstorming sessions, idea camps, and innovation circles to help students prepare.
- **Provide Guidance:** Teachers and mentors to guide teams in selecting themes and building solutions.
- **Awareness Campaign:** Display posters, share notices, and use morning assemblies to spread excitement about the Buildathon.

> **Remote Participation:** Encourage students and staff to join the National Live Event on 13th October 2025 via live stream.

Post-Event Activities (13th - 31st Oct)

- **Celebrate Innovation:** Organize a "Wall of Fame" in school to showcase student teams and their projects.
- **Capture & Share:** Post photos, videos, and reels of student activities on school social media handles using #ViksitBharatBuildathon.
- **Spread Inspiration:** Share stories of student innovators with parents, alumni, and local media.

> **Submit Entries:** Upload team submissions (videos, and summaries) on the national portal within the timeline. Submit your idea/prototypes on the portal.
